**Carmen Salazar, Rafael Arias, Sara L. de la Vega : Avanzando: Gramtica espaola y lectura, 7th Edition (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Avanzando: Gramtica espaola y lectura, 7th Edition (Spanish Edition):

2 of 3 people found the following review helpful. reviewBy Stacey ParkerThis edition should have more English in it. It makes it extremely difficult for those who are not native Spanish speakers to learn.1 of 2 people found the following review helpful. Was it so cheap because it's missing pages?By PurseJunkieMy book was missing about 30 pages in the middle. Chapter 4 was completely missing. This made class difficult for about a week.0 of 1 people found the following review helpful. Spanish grammarBy GregSuper helpful. An effective tool to learn and understand Spanish. Easy, understandable way to finally learn the correct way to communicate effectively!

Precise grammar explanations, engaging readings, and a flexible organization are just a few reasons why Avanzando:

gramática española y lectura, Seventh Edition, is so effective in high-intermediate to advanced Spanish courses both for heritage and non-heritage students. Featuring a new thematic approach that exposes students to current topics, *Avanzando* continues to offer a comprehensive look at Spanish grammar. The flexible organization of the text, which has been tested and refined through six highly successful editions, encourages students to build on their current Spanish language skills and learn more advanced grammar points while developing their cultural knowledge and critical thinking skills, all in Spanish. The clear grammar explanations and thorough practice activities are complemented by engaging, theme-based readings in each chapter in Part I, and a selection of short stories by well-known Spanish and Latin American authors in Part II. Reading activities encourage close reading and analysis of the texts, and are designed to develop critical thinking skills and to generate class discussion.
