It sounded very interesting, but the really kick began when I got this book in the front of my eyes. And it's not too easy to bring me to laughing. But I just couldn't stop it. Untill tears in my eyes. I swear...Ever since I bought ten copies of this one of kind source of entertainment for my closest friends. They all just love it. You can not resist it. What an idea for a book! Big KISS for Voy Sobon, whoever you are!3 of 5 people found

the following review helpful. Really Great Book!By Voy SobonIt is lot of fun for everyone who values alive languages of everyday use on the street. There is no F... way one will not laugh while reading those hilarious words aloud. Even my father was laughing, although it is not easy to bring him out of his serious mood. Great value for travelers. I am waiting for next volumes with additional languages.2 of 2 people found the following review helpful. GREAT PIECE OF WORK!By A CustomerIt's so funny book, all my friends visiting my home are delight. Even those who never use them have a laugh at compiring all the languages.Great conversation piece. Although it is slang the book is save for children. They know even more. Highly recomended for every one.

Europe's Bestselling has taken the U.S. market by storm! You cheap son of a tip is that? You the rude waiter shouts embarrassing you in front of your friends. How do you respond? Get this book and you'll always be ready!
