3 of 3 people found the following review helpful. CanningBy RickiI new at canning so I thought I would try this book to see if it was easy to use. I was surprized to see how easy it is to make jams jellies other toppings. We bought a house that has fruit trees so its fun to can the fruit that came from our trees give them as gifts.1 of 1 people found the following review helpful. Five StarsBy Raymond MillisVery usefull. It will be used this canning season.2 of 2 people found the following review helpful. Five StarsBy DianaThis 1980's book is better than the new ones!

Food Preservation in all its forms! From all the various types of canning as well as details on freezing and dehydrating foods. Includes helpful chart called 'The Problem Solver,' that gives helpful and healthful hints.
