I took the book in sections and planned a day to work my way from shop to shop. It was a lot of fun. The newer places in the northern part of the County were a real treat for me, and the shop owners were very excited to see me carrying the book! I was a very happy camper when I came home with a Talbot 100% silk blouse for \$4.00!!!!0 of 0 people found the following review helpful. If you love
