A very interesting readBy stanley yurishAnother very informative book!! I personally had stopped following current top 40 music after 2000, so some of the listed titles weren't too familiar to me, but it was interesting to see how they ranked in relation to earlier hits that I enjoyed. A very interesting read.0 of 0 people found the following review helpful. Three StarsBy Ian thomasFor fans only. Much less detail than similar titles0 of 0 people found the following review helpful. Useful for CollectorBy David Jenny CooperUseful if you have a collection of old Vinyl records as it helps date them. This is useful regardless of what country you live in.
