Jeffrey Bloom, Carole Bloom, Steven Noble : Bloom's Bouquet of Imaginary Words before purchasing it in order to gage whether or not it would be worth my time, and all praised Bloom's Bouquet of Imaginary Words:

0 of 0 people found the following review helpful. Imaginative etymologyBy J. WinkerThis small book is a delight. Very imaginative. The authors have taken a clever approach to inventing new words. Take an existing word; add, eliminate, or change ONE letter. Then provide a new definition that has some relationship to the original word. As an example, here is one that I invented myself: kinkdom: A geopolitical jurisdiction populated by sexual deviants.0 of 0 people found the following review helpful. Good gift ideaBy gde jonesMy wife loves reading it and always gives me the word for the day. Sorry to say that the book resides in the most used restroom and there's always a chuckle.0 of 0

people found the following review helpful. Five StarsBy Jonquil03Incredibly clever and funny

In Blooms Bouquet, words blossom. You know what a pigeon is, but what is a pugeon? An overweight bird, of course. Change one letter of destination and you get a place where dirt ends up: dustination. If you are late to ballet class, you are leotardy. The author of a horror film is a scareenwriter. The 599 new words in Blooms Bouquet are organized into such categories as Plumpkins Grimlets (Food and Drink), Froshbite Frollicles (Medicine), and Fiberals Reapublicans (Politics). Fun to browse through and hilarious to share aloud, the imaginary but oh-so-meaningful words in Blooms Bouquet are a celebration of the endless elasticity of the English language. This elegant little package, featuring witty, original line-art throughout, is an enticing impulse purchase or the perfect stocking stuffer gift for lovers of word games. Jeffrey Bloom is a writer. Carole Blooms early careers in music and television led to her first published book, Musical Houses. A psychotherapist, she is the founder of Power Therapy and has a private practice in Studio City, California, where she and Jeffrey live. Husband and wife have worked together creatively, but this is their first literary collaboration.
