Diane J. Orton, Tammy L.W. Freelin, Fresa J. Jacobs, Robin R. Wingo : Building Professionals: Creating a Successful Portfolio before purchasing it in order to gage whether or not it would be worth my time, and all praised Building Professionals: Creating a Successful Portfolio:

0 of 0 people found the following review helpful. Five StarsBy Steven J. BrownQuick shipping, exactly as described0 of 0 people found the following review helpful. One StarBy WhiteWolfHardly ever used it.0 of 0 people found the following review helpful. All Clean pagesBy Lisa_LoxI ordered this used workbook for a career exploration class. I am extremely satisfied with my purchase. There are absolutely NO Writings in this book even though it is a workbook. And I will be ordering from this seller again in the future.

One of the greatest challenges facing people entering the workforce is learning about themselvesrecognizing what

skills and knowledge they have developed for their chosen fields, and finding opportunities to use those abilities in a career. This easy-to-use tool assists readers in collecting, managing, and organizing a professional portfolio. Helps readers understand how their individual experiences relate directly to the skills and abilities that employers are looking for. Is organized into quality categories in each chapter, marked by icons includes Critical Thinking/Problem Solving; Leadership; Initiative and Follow Through; Working Effectively with Others/Diversity; Communication. Provides Link and Learn Worksheets. Emphasizes mentor feedback and offers a blueprint for future growth. The ideal handbook for anyone entering the workforce or changing careers.
