By Philipp This book does not contain CD or any link to downloadable files despite of is vague written in description - "Audio CDs containing the listening material, and a Student's Book with answers with downloadable Audio are available separately.". So, if you want to have the an audio files, you should BUY it separately and as I can find, it costs twice more than this book. 3 of 3 people found the following review helpful. I don't understand why Cambridge Press make this non-audio version ... By Annop Lekhakul I don't understand why Cambridge Press make this non-audio version of Official IELTS. Everyone who bought this book needs to practice in all parts, and one of the hardest parts is Listening. Before buy this one. This is non-audio version book, they give only audio script. 1 of 1 people found the following review helpful. Five Stars By Genecca Wong harder than previous ielts books but interesting

Cambridge IELTS 10 contains four authentic IELTS past papers from Cambridge English Language Assessment, providing excellent exam practice. The Student's Book with answers allows students to familiarise themselves with IELTS and to practise examination techniques using authentic tests. It contains four complete tests for Academic candidates, plus extra Reading and Writing modules for General Training candidates. An introduction to these modules is included in the book, together with an explanation of the scoring system used by Cambridge English Language Assessment. A comprehensive section of answers and tapescripts makes the material ideal for students working partly or entirely on their own. Audio CDs containing the listening material, and a Student's Book with answers with downloadable Audio are available separately.
