hard to work with. It is okay for a class with additional material and someone to help you work out the details. Also I have never been able to read the dvd that comes with the book. Inquiries with the publisher to get a readable format have been less than positive. 0 of 1 people found the following review helpful. Seems to be great, but not for self-guided study. By Bianca J. Smith This may have been good. I wanted it as a self-study guide but mistook the French and only ordered the student workbook. Oops. Alliance Française in Seattle use the complete set for their lessons, so it must be good. Just not alone and for self-guided study.
