Amanda Dear : Guide to Interviews (The Bloody Recruiter) (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Guide to Interviews (The Bloody Recruiter) (Volume 1):

0 of 0 people found the following review helpful. A clear and comprehensive guide to interviews. By Lis McDermott I wish I'd had this book when I sat on interview panels in my previous job - it is brilliant! The book is written well, is informative and takes you through the processes clearly. Amanda's obvious experience shines through and this book should be what any future interviewee and interviewer should have at their side.
