**Guitar World magazine : Guitar World Presents Stevie Ray Vaughan** before purchasing it in order to gage whether or not it would be worth my time, and all praised Guitar World Presents Stevie Ray Vaughan:

2 of 2 people found the following review helpful. Stevie Ray Vaughan- The Life and Untimely Death of An American Blues Legend.By Michael ForresterThis book is a must read for SRV fans, From his explosion onto the blues-rock scene, his meteoric rise in the music industry, almost single handedly jump starting the 80`s blues revival, his highs and lows, and finally his untimely death. Told verbatim from Stevie Ray himself and the people who knew him best

and were closest to him. Taken directly from Guitar World Magazine articles and interviews. Gripping and insightful, it fills in the blanks of an incredible life and career that ended way too soon. 0 of 0 people found the following review helpful. Five Stars By judy pierce Excellent 1 of 3 people found the following review helpful. Got this for Grandson... By M. Cooper I bought this for my grandson--an aspiring guitarist. He loves almost anything, and everything, about Stevie Ray--including books, articles, music, apparel, etc. about his idol. So, when I find something he might be interested in, I get it for him as motivational/incentive/reward gifts. If you love Stevie Ray too, you'll want a copy of this book.

(Guitar World Presents). Stevie Ray Vaughan, bluesman, guitarist, and legend, was only 35 at the time of his death, but in his brief lifetime he managed to revitalize the blues, influence a generation of guitarists, and produce a phenomenal body of work. His story is told here in Guitar World Presents Stevie Ray Vaughan, a newly updated and expanded collection of articles about the great guitarist from the pages of Guitar World magazine. This deluxe volume features probing interviews held over the years with Stevie Ray, instructional material, a complete discography of his recorded works, and loving reminiscences by his fellow musicians. Guitar World Presents Stevie Ray Vaughan is an essential tribute to the great fallen guitar hero of our generation.

About the Author Brad Tolinsky is the editor-in-chief of Guitar World magazine.
