Charmant Theodore : Haitian Creole-English/English-Haitian Creole Dictionary Phrasebook (Hippocrene Dictionary Phrasebook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Haitian Creole-English/English-Haitian Creole Dictionary Phrasebook (Hippocrene Dictionary Phrasebook):

By Banjo Babal got this to replace Wally Turnbull's dictionary in the back of Creole Made Easy. I like the small size but find it endlessly frustrating because it never seems to have the word I am looking for. Invariably I have had to dig out Turnbull's work to get a word. Buy it for the pocket size but realize that it doesn't work as a sole source for working Creole. For example, this morning I needed to say, "The floor is slippery would you please mop it?" pretty basic. Well there was nothing for "floor" nothing for "mop" and nothing for "slippery". Fortunately, I found them all in "Spoken Haitian Creole" by Marc Prou a book I will review in the future. BTW I sold my Turnbull book to an aid worker who had no dictionary so I no longer have his wonderful dictionary.

By L. Peterson We bought this for help communicating with our adopted child. A waste of money for any adoptive parent/child relationship. It is missing what I would think are many basic human feelings and basic needs. I can not imagine a "tourist" or mission worker going to Haiti finding this book helpful either.

By HEROLD ELIEI received it on time and I love it.

The bilingual dictionary contains more than 4,000 entries, including all essential daily vocabulary. The phrasebook deals with almost every situation likely to be encountered by travelers, including basic greetings, making hotel reservations, and ordering in restaurants, as well as health care and emergencies.
