Julie-Ann Amos : Handling Tough Job Interviews before purchasing it in order to gauge whether or not it would be

worth my time, and all praised Handling Tough Job Interviews:

Revised edition of this handbook, written by an author in the field of recruitment, training and management.

"...covers all kinds of interview from recruitment agencies and headhunters to employer and human resources.' Phoenix 'a wealth of sound advice.' Sesame, Open University Magazine 'takes you step-by-step through the recruitment process and gives useful advice on interviews with senior management, dealing with psychometric tests; and discussing and agreeing the job offer.' Office Secretary"About the Author: Julie-Ann Amos is a Human Resources Consultant with considerable experience in recruitment. She is also a member of the Chartered Institute of Personnel and Development. Her books on recruitment have been translated into several languages.
