Harrap : **Harrap's French and English Dictionary (Harrap's Dictionaries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harrap's French and English Dictionary (Harrap's Dictionaries):

0 of 0 people found the following review helpful. Must have for anyone learning French!By Mary LeeAs an undergraduate French major, this is the best French dictionary I've found! One of my French professors recommended

this one to me my freshman year and it's been my favorite ever since. It is well organized, has basically any word you can think of, and has all the little helpful add-ons like verb conjugations, grammar tips, and more! It is half English to French and half French to English, both of which are helpful in their own ways. I would recommend this to anyone looking for a nice thorough (but compact! it's not too big!) French dictionary, whether you are just a beginner or if you are fluent. Definitely a must-have for any French speaker!

0 of 0 people found the following review helpful. nice product
By Amy Miller
My daughter is entering high school. One of her items that she needs for French class is a French/English dictionary. After some research we chose to get this one and we sure are happy that we did. She has spent some time over the summer reading it and she really likes it. She has actually recommended it to other kids that will be in our class. That alone says a lot coming from a teenager!

Best French Dictionary...
By indieblack
So far, this is the best French/English Dictionary that I have. I took 2 years of French in High School--20 years ago-- and now am in a University 101 class. Over the years I have had many different French reference books, including the 501 French Verbs. And this surpasses anything that I have had before. It has current, as current as it can get, information in the book. Also, if you have problems remembering the mechanics of English grammar it helps with that, too. I am so glad that I read the positive review and decided to buy this. I am not disappointed!

Harrap Dictionaries--the bestselling French dictionaries in the French-speaking world now available in the U.S.!

Developed by the maker of the most popular dictionaries in the French-speaking world, this is the most authoritative bilingual reference of French and English now available in the States. Fully up-to-date with hundreds of new words and expressions--from information superhighway (inforoute) to mobile phone (portable) to car-pooling (covoiturage)--this comprehensive dictionary features more than 70,000 references and 100,000 translations, a guide to French verbs, and thorough coverage of slang, colloquial usage, technical language, and Internet terms. Also included are essential notes to help users avoid translation errors. Harrap's extensive language databases have been utilized to guarantee thorough coverage of all areas of vocabulary.

From the Back Cover
The only French-English dictionary you'll need to understand and communicate in French Now available in North America, Harrap's dictionaries are the bestselling bilingual references in the French-speaking world. Harrap's French and English Dictionary successfully combines comprehensive coverage with clear presentation. Here you will find more than 115,000 references and translations, as well as colloquial and idiomatic language, French verb tables, a detailed grammar summary, and a guide to written communication. From information superhighway (inforoute) to mobile phone (portable), this dictionary has the most up-to-date additions to French, including terms from specialized fields such as finance, education, the media, science, and the military, as well as French proper and geographical names. In addition, Harrap's French and English Dictionary helps you gain a full understanding of French and the French-speaking world with:

- An extensive 100-page guide to all aspects of French grammar
- French verb tables that cross-reference to each verb entry to show correct conjugation
- A communication guide with sample letters, business correspondence, faxes, e-mails, and more
- A map section of French-speaking countries and French administrative divisions

Great for school or the workplace, Harrap's French and English Dictionary is the only reference you need to navigate easily between French and English.
