Shirley Dunbar : Heisey Glass- The Early Years: 1896-1924 before purchasing it in order to gage whether or not it would be worth my time, and all praised Heisey Glass- The Early Years: 1896-1924:

0 of 0 people found the following review helpful. great book on Heisey glassBy David Zeidlergreat book on Heisey glass, great photos and description of the patterns and the history of when they were made. The only thing i wish this had was a full collection of all the patterns including the colonial patterns. The author also mentions on her detest of the gold and ruby staining and how she prefers the clear better, honestly thats her opinion and it shouldnt have been in the book.1 of 1 people found the following review helpful. Loaded with photos to help with identification backed by lots ...By #50Loaded with photos to help with identification backed by lots of history and information for people who are looking for more than a price list!0 of 0 people found the following review helpful. Five StarsBy Linda BoehmVery good for identification!

This comprehensive guide to Heisey glassware covers the early years of the A.H. Heisey Company, from 1896 to 1924, the production period of primary interest to contemporary dealers and collectors. It contains more than 300 mainly colour photographs of rare and highly sought after pieces.
