Famous Artists School : How to Draw the Human Figure: Step-by-step Method (Cortina Famous Artists Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Draw the Human Figure: Step-by-step Method (Cortina Famous Artists Library):

0 of 0 people found the following review helpful. Excellent for beginning and novice artists.By G. HemmerJust started taking art lessons and came across this book at the time we were doing human figures and this book was very much like the one the teacher was using, so I bought it. It is very clear in both explanation and drawings making it easy for those who have never drawn before.0 of 0 people found the following review helpful. A little jewelBy Happy OtterSome old books are so well done. this is one of them.The essentials. Just enough words to explain.

Step-by-step method for learning how to draw the human figure. N.B.: Free evaluation of your drawing MAY NOT be valid any longer due to age of product (1983).
