**Elizabeth Bollard : How to Feed Your Family on Less than EURO10 a Day and Other Cost-saving Tips** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Feed Your Family on Less than EURO10 a Day and Other Cost-saving Tips:

0 of 0 people found the following review helpful. Fantastic recipes coupled with solid advice that is explained in ...By Aoife O BrienFor anybody who thinks they need a family to benefit from reading this book, let me assure you that is

completely wrong. As a student this book helped me in understanding how to manage my finances much more effectively while also explaining the ins and outs of maintaining a healthy balanced lifestyle and living within my miserly student means. Fantastic recipes coupled with solid advice that is explained in a way only a mother can, it definitely helped dull the terrifying feeling of entering the "real world" after student life.
