Ron McGowan : How to Find Work in the 21st Century: A Guide to Finding Employment in Today's Workplace before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Find Work in the 21st Century: A Guide to Finding Employment in Today's Workplace:

0 of 0 people found the following review helpful. I highly recommend it! By NSquared This is a very practical book

and holds lots of wisdom for job search and career development. I read the first edition a number of years ago. It has helped me to form my own vision and has been a valuable resource for me to turn to as I coach those that I serve who are making their way through college or graduating or transitioning. I highly recommend it!

A comprehensive guide to finding meaningful employment with tips on how to define what you have to offer employers, how to market and sell yourself, how to network effectively and how to use social media tools to find employment.

About the Author Ron McGowan has helped thousands of graduates and professionals across Canada, the UK and Ireland to find work over the past ten years. His articles have been published internationally and he has written for the Wall Street Journal and the Globe and Mail.
