JD Mary Greenwood : How To Interview Like A Pro: Forty-Three Rules For Getting Your Next Job before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Interview Like A Pro: Forty-Three Rules For Getting Your Next Job:

3 of 3 people found the following review helpful. Must read for all job seekersBy Sara TonerIf you are looking for a job, or know someone who is looking for a job, How to Interview Like a Pro, is a must-read. Greenwood covers all

areas of interviewing from how to prep for the interview and to do your best in the interview to the appropriate follow-up and what to ask once you been offered the job--and all the questions in between. Greenwood's background as a lawyer and direct of Human Resources gives her credibility and an expertise that is key when advising you on your journey of finding a job. This book will be an award winner like Greenwood's other books, *How to Negotiate Like a Pro* and *How to Mediate Like a Pro*. If you are having issues getting the interviews and job offers you want, you could learn from her book.

2 of 2 people found the following review helpful. Much needed information and style of approach

By Peter van der Velden I realize that in Europe the systems and procedures around job applications might be different than in the U.S., but all applicants must eventually go for the job interview and I could not find any really appropriate books from European experts on this matter. A few adjustments must be made to be useful in a European style of interview - and this can be different whether you are in Holland, Germany or France - but all in all it is a very useful book for someone who is preparing for serious job interviews.
