Jeremy Harmer : How To Teach English (with DVD) before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Teach English (with DVD):

4 of 4 people found the following review helpful. CELTA handbookBy Riley DavisI used this book for my month long intensive CELTA course. It is full of a lot of really great information to the CELTA methodology of teaching English as a foreign language. It helped prepare me before the course, and was a really good aide during the course for my assignments. Jeremy Harmer gives a lot of really good advice in this book, and in his others. I definitely recommend getting this book if you are about to start the CELTA course and want to prepare what you're getting into.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat purchase3 of 3 people found the following review helpful. Useful for beginner teachers learning about ESL/TESOLBy Megan KellyThe book itself is quite useful as it was a great start to my CELTA course. There book has a bunch to talk about teaching several types of

language skills- reading, writing, speaking, etc. Also covers a lot of useful info for beginners who are learning to teach ESL/TESOL/TESL. I would suggest the book as a starting point.

New glossary to explain teaching terms DVD with classroom demonstrations of core classroom techniques New chapter on testing How to Teach English is the only methodology book for "early stage" teachers that has a DVD with clips from actual classes and accompanying activities.

About the Author Jeremy Harmer has taught in Mexico and the UK where he is currently an occasional lecturer at Anglia Polytechnic University. He has trained teachers and offered seminars all over the world. A writer of both course material and methodology, he is the author of methodology titles including How to Teach English (1998), The Practice of English Language Teaching (3rd edition 2001) and How to teach Writing (2004) - all published by Pearson Education Ltd. He is the General Editor of the Longman methodology list and hosts a teacher development website at <http://www.eltforum.com/>
