## Strengths And Perfect Your Presentation:

You know the job you want and you are going to apply for it. You know you can do the job, but how do you convince the person you are applying to? You write yourself a great CV, that's how. And, that's exactly what this book will help you to do. The best way to secure a job interview is to write a CV that highlights your skills, achievements and experience in such a way that the reader is motivated to meet you. This book will take you through the self-assessment and skills evaluation process, show you how to tailor those skills to the job you are applying for and present your CV and covering letter in the best way. It even includes some interview preparation tips to see you through the next phase.

"A new career can make your life happier and more fulfilled - this book is your first step to a better future. Useful specimen CVs, covering letters and case studies, together with job ads, action plans and interview preparation tips.' OS Magazine" About the Author Paul McGee has worked as trainer and consultant for one of Britain's biggest outplacement organisations. He has long experience of conducting self-marketing workshops for people from all walks of life. Books by the same author include: Writing a CV that Works.
