**Susan Whalley : How to Write Powerful Letters of Recommendation** before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Write Powerful Letters of Recommendation:

0 of 0 people found the following review helpful. There was a huge delay in getting this book. ...By Jodene I. There was a huge delay in getting this book. I returned it as it arrived too late for the project I needed it for. 1 of 1 people found the following review helpful. A godsend for counselors By Rhonda R. Robinson This book made it possible for me to complete 80 recommendations in 30 days. Of course they need to be adapted to the specific student but it made it so much easier. I wish that there was a download version. 0 of 0 people found the following review helpful. Perfect for people trying to find the right words By Michelle Greenleaf Perfect for people trying to find the right words. It gets tiresome when 25 students all want letters in the same month. This book was a life saver.

How can educators write powerful letters of recommendation for students whose post-secondary plans require them? This compilation of 52 sample letters written by an experienced high school counselor is designed to jump start your thinking process so your own feelings and words can emerge. Learn how to turn your positive recommendations into glowing and electric communications to help your students gain acceptance to their desired programs.

From the PublisherDirectors of Guidance have been purchasing multiple copies for all members of their departments. School superintendents have given the book a thumbs up. It is the answer to the prayers of many busy people who get stuck looking at the blank page. You'll be thrilled to have it in your collection.About the AuthorSusan Whalley, a native New Yorker, has been a guidance counselor in the Greater Boston area for over twenty years. She lives in the woods of Carlisle, Massachusetts with her husband David, their children and Chocolate Labrador Retriever, Mugsy.
