It was pretty short, and not at all like the original comic format of Garfield. If there was more, I would MAYBE, just MAYBE IBy J. HuberOk, not the best. Like I said above, sort of boring but also way too short for Garfield.If you like short comic books, this is the book for you.2 of 3 people found the following review helpful. Don't buy!By Ak TrapperNot like I'd thought it would be. not much to read at all. It said 46 pages so I thought it would be great to buy. I do not recommend buying this. Unless you like to waste your money. There is one sentence on one page

then a picture many 10-20 sentences total.
