Hannah Tyson, Mark Beverley : IB English A Literature Skills and Practice: Oxford IB Diploma Program (International Baccalaureate) before purchasing it in order to gauge whether or not it would be worth my time, and all praised IB English A Literature Skills and Practice: Oxford IB Diploma Program (International Baccalaureate):

4 of 5 people found the following review helpful. This is the reason why IBers hate IBBy Ashish Before I begin this review let me enlighten you with my story . I did take literature prior to IB and you can imagine what a bad ride this

might have been . Although this book calls itself the the IB SKILLS AND PRACTICE it just regurgitates what has been stated in the course companion . What is even more shocking is the fact that there is few activities in this skills and practice book and no answers or guiding answers to compare your work to . To an amateur this book was just as useful to me as a summary of Hamlet would do on my written assignment .If you are also like me , an amateur to literature I rather recommend Literature , style and criticism for the A/AS- level .

The detailed skills development needed for success in English AA must-have for English A Literature students aiming for the strongest achievement in the course. Focused, challenging and directly aligned with the 2011 syllabus, it is packed with skills development activities, examiner feedback and more to ensure students fully develop all the key skills central to assessment.
